ATTENTION STUDENTS

This message is to make you aware of three student-targeted scams that are currently in operation.

1. A student receives a fraudulent phone call claiming money was owed to the University. The caller demands that the student wire the money directly to an account.
2. A person receives a fraudulent email that looks like it comes from a University official. The email offers a scholarship if they wire money to get the process started.
3. A studentext/email from studenta@gvsu.edu stating that there is a payment due and the student needs to click on an attachment. DO NOT click on the attachment. Student Accounts will never send you an email asking you to click on something.

Please be very careful with your GNumber and password if you are not dealing directly with GVSU. Also be very careful at all times about any request for you to directly wire money.

If you experience a fraudulent phone call or email, please notify the Student Accounts Office at studenta@gvsu.edu or 616-331-2209.
